

Christmas Charity Fund Raising At Hythe House Education

Charity Collection for Happy Endings Rescue Centre

Every Christmas the School participates in a Charity Collection. Over the past years it has been the 'Shoe box appeal' which has always proved popular.

This year it was decided to help out a local Animal Sanctuary Nr Faversham.

Rob & Nicolette had already had some dealings with this charity and after a conversation Nicolette had with one of the volunteers at the sanctuary it was decided to raise whatever we could for them. We decided to collect food, food bowls, blankets, toys etc and asked for it to be cat or dog related as they had been recently overwhelmed by the number of cats and dogs coming into the centre. This proved to be extremely popular and Nicolette had phone calls from Foster Carers fully supporting the collection and even had members of the public knocking at the school door donating.

On the Thursday before we broke up from school we took everyone over to the rescue centre to donate the goodies. They were overwhelmed by the collection and could not thank us enough. We then had a short tour and met some of the rescued animals, and a puppy which had been given a home to go to.

On behalf of everyone who donated, the School would like to say a
BIG THANK YOU to you all

Nicolette with the fund raising goodies which were donated to 'Happy Endings Rescue'.

Nikki with the Puppy which had just been given a home.
